Nursing arbitration decision criticized

By Janice Harrington

An arbitration decision handed down on contract negotiations between the Canadian Health Care Guild (CHCG) and the Alberta Healthcare Association (AHA) is being criticized by members of the CHCG.

In a press release issued earlier this month, CHCG President Roberta Metheral said the decision handed down by the arbitration board was unsatisfactory and that the system failed the licenced practical nurses and nursing attendants that are represented by the CHCG.

"We are still the lowest paid auxiliary nurses west of the Maritimes," she said. "As essential services we can't strike, so we went to arbitration believing we could get a fair and reasonable settlement. We made every effort to follow the rules in pursuit of a decent living wage. The arbitration process has failed us. Our members are still working for poverty wages."

Contract negotiations between the CHCG and the AHA broke off a year ago over a salary dispute. The AHA had offered a 9.25 percent to 11 percent increase over two years, but the offer was rejected by the members of the CHCG who said a 30 percent increase was needed to put them at parity with other LPN's across Canada.

The arbitration board's decision gives the members of the CHCG a salary increase of 9.9 percent to 13.14 percent compounded over two years. In the decision, arbitration board Chairman Allen Ponak said, "The poor economic environment suggests that this is not a particularly good time for a catch up type of wage increase."

Mountain View Health Care Centre administrator Dennis Stabber agrees. His hospital, along with others in the province, is struggling to balance their budget after

receiving an increase of only 4 percent from the provincial government.

"Obviously what they are settling for is going to create a few problems for us," he said. "The amount of their increase is over the increase that we are getting, and on top of that we are suffering a 4 percent cut [in acute care funding] so in effect the increase amounts to very lit-

tle."

Stabber said the hospital board will continue to look at options to help balance the budget, and some layoffs are anticipated.

"Currently we are trying to give ourselves some leeway by not filling positions that are not necessary for direct patient care when they become vacant. But we have to wait for the budget

review to be completed before we can make any firm plans."

"Salaries make up about 75 to 80 percent of our budget," Stabber said. "Obviously when these kinds of salary increases are granted it creates a hardship on us."

But while understanding the difficult position hospitals are in, Metheral said the members of her guild should

not be expected to bear the brunt of bad fiscal times.

"Our members, who don't make a lot of money, have been subsidizing the health care system for the last decade, and for that we are being penalized," she said. "We are expected to continue to carry the health care system on our backs. This is a very cruel decision."

Toasted wheaties

It smelled a little like breakfast on the Bergthal Road last Friday when a grain bin caught fire at the intersection of SH731 and the Bergthal Road. Neighbors Eric, Rose and Mikey Goerzen spotted the blaze and called the fire department. The blaze started when fire from burning straw caught the surrounding grass after a shift in the wind. Owners were able to salvage some of the grain.

Roof raising supper planned

By Janice Harrington

The annual Pioneer Supper for the Didsbury and District Historical Society is planned for March 25 with proceeds going to help put a new roof on the museum.

DDHS President Arleen Douglas said plans are all in

place for this year's supper to be held March 25 at the Didsbury Elks Hall.

Entertainment for the evening will be the Stratus Musical Comedy Act, a 23-year-old group which has played all over the world and opened for such stars as Neil Diamond, Rich Little, the

Poppy Family, Roy Rogers and B.J. Thomas.

The annual society supper is part of the "roof-raising" activities being put on by the DDHS this year. An auction, held last February 29 at the Didsbury High School, raised about \$2,000 towards putting a new roof on the

old school house which now holds the Didsbury Museum.

The cost of replacing the roof is estimated at around \$17,000.

Tickets for the DDHS Annual Pioneer Supper can be purchased by calling Arleen Douglas at 335-9216 or 335-4825.

Reba is a border collie/heeler cross, she is 4 year old, black and white with bits of gold on her face and back legs, and a luxuriantly plumed tail. She looks like a wee border collie with the only evidence of her blue heeler heritage in her slightly bowed front legs. She is a sweet, friendly, little dog and we are very fond of her even if she is not useful. She has the attention span and energy of a hummingbird, runs all day, spends hours in the fruitless pursuit of sparrows, and barks in response to coyotes but not when someone comes into the yard. She usually comes when called but we can't depend on it and if your voice carries even a trace of annoyance she crawls under the deck or into a bale stack and does not come out. Reba loves kids, big ones, little ones, friends and strangers. If allowed, she will leap 6 feet or more into your arms, wrap her paws around your neck and give dog kisses. This is not my idea of dog behaviour and I discourage it but our daughter has been known to come from Calgary, step out of her car and be hit by a dog missile. There is some justice in this because it was Kirsten who taught Reba the flying Wallenda trick in the first place and if her clean clothes get covered in dog tracks she has only herself to blame.

Reba would like to be a cattle dog. She can spend hours quietly rearranging a pen full of heifers and in her puppyhood she herded some chickens to the brink of death. She didn't bite them she just wore them out. We would like Reba to be a cattle dog, but she is a wimp. At the first sign of training or discipline, no matter how gentle, Reba retreats to one of her hiding places and doesn't come out. She keeps the cats away from the house, she is a wonderfully efficient gopher killer, she doesn't dig up flower beds, she can shake hands and sit (though she doesn't stay) and if you say to her, "poor little dog, poor little Reba, are you so sad," she wraps her muzzle in her front paw and seems to cry. Probably most important she gives and receives a lot of love and is delighted to see any of us come home whether we have been gone 5 minutes or 2 years. Reba is part of the family, we are very fond of her.

The Cremona Hot Air Balloon Festival was held on a lovely, bright calm Saturday. Seven balloons drifted near enough that we could read their names and numbers, hear the roar of their burners, see the flash of their fire. Ralph and I watched them until they were out sight. Just as the balloons drifted away over the horizon our son Mark drove into the yard but no furry friend ran to greet him. "Where is the dog?" he asked and we couldn't answer him. We only knew that she had been with us very recently. We checked her doghouse and under the deck, we called and whistled but there was no response. "Maybe she followed the balloons," Ralph said, "maybe she thought she had finally spotted a bird that moved slowly enough to give her a fighting chance."

When she hadn't shown up by lunchtime we got in the truck and made a small tour of the countryside paying special attention to the balloon route. We watched ditches too of course hoping that we would not find a crumpled little black and white body. Back home we phoned all the near neighbors and a few along the balloons path. No one had seen Reba. On Sunday morning I opened the door hoping foolishly that I would see her bright little face all eager to start the day. No Reba. We made more phone calls, drove further, checked more ditches, called and whistled. On Monday Ralph walked through pastures and checked anything remotely suspicious, on Tuesday he took apart the bale stack that she sometimes slept in. By this time neighbors were calling us, "had we found her," "had we tried the dogcatcher," "their dogs had been frightened by the balloons." By Wednesday we had almost given up. "Let's make a couple more calls further west," Ralph suggested, "then we will know that we have done all we can."

Our first call was to a school bus driver just back from her route. "There was a little dog like that at Kinch's," she said, "and it looked sort of lost and confused."

Kinch's live 3 miles straight west of us and in a path away from the balloons. Ralph was hardly out of the truck when Reba came trotting out from behind their house. She was happy enough to see us but the Kinch kids, Stacey and Travis had been treating her very well and she was certainly no worse for her experience. She had been there since Saturday and we have to assume that frightened by the balloons, she first ran, then became disoriented and finally lost. She was very lucky to come upon a family that treated her so kindly and we are grateful to them.

"What about those stories where dogs come home through 500 miles of bogs, mountains and blizzards," Ralph wondered, "and how come ours gets lost within 3 miles?"

So it wasn't the Incredible Journey. We're still glad to have her home.

Banding together

A Westglen School fundraising raffle managed to raise about \$4,000 for band camp. Drawing for the prizes are Barry Valleau, band director at Westglen and Audrey Wagner from Kildsbury, who donated the grand prize.

Hospital volunteer supper held

The annual appreciation supper of the Hospital Volunteers was held Monday, March 9, with 39 guests and members present.

President Hazel Milne welcomed the guests and after grace was said by Helen Brown, all enjoyed a delicious meal of ham, scalloped potatoes and angel food cake with strawberries.

Annie Pringle paid tribute to the volunteers who have manned the tuck cart over the years. Some have served in this capacity continuously since the project was started in 1966.

Hazel Milne presented Annie Pringle and Helen Brown with service bars for over 25 years of

service and Helen Newton and Dora Johnson with auxiliary pins for their help in the quilt raffle.

Kim Andres, Coordinator of Volunteer Services and Director of Recreational Therapy of the Mountain View Health Care Centre, expressed her appreciation for the valuable work done by all the volunteers.

A delightful skit entitled "Excuses" was performed by the volunteers and Dave and Evelyn Adams entertained the audience with violin and piano music. Hazel Milne closed the evening by reading a poem, "A Year of Good Wishes for You."

Volunteer appreciation

Hospital volunteers were thanked for their efforts last week at their annual appreciation supper. Those present were treated to music by Evelyn and Dave Adams (upper right). A new hospital volunteer executive was installed earlier this month (above) pictured are President Hazel Milne, Treasurer Dora Johnson, Assistant Treasurer Annie Pringle, Vice-President Myra Underhay and Past-President Freida Derksen. Installing is Helen Brown.

Birth announcement

HARTMANN - Gene and Ila Hartmann are pleased to announce the birth of their first child - Brenna Jean. Brenna was born Thursday, March 12 at 5:31 a.m. at the Foothills Hospital weighing in at 7 lbs. 4 ozs. Both mother and child are doing wonderfully, and the father is also recovering and handling chocolate cigars to anyone within eyesight. Proud grandparents are Jake and Elaine Dockter and Gordon and Elmeda Hartmann all of Didsbury. Gene and Ila wish to extend their sincere appreciation to Dr. Malm and the nurses on the maternity and special care wards at the Foothills.

On getting lost

By Janice Harrington

As a newcomer to this town, I need to ask directions to get around.

The street name, a description of the building, or a detailed account of the place's proximity to a major business in town is always helpful.

But of course when those things fail, I always rely on legal addresses to help me find the place I'm looking for. It's worked everytime for me in the past.

Recently, I find that I'm getting lost alot.

It's not that people in Didsbury can't get their directions straight, in fact, if it weren't for great directions I'd be lost alot more often. No, the problem is, there are no house numbers on many Didsbury homes.

I didn't realize that this was a rampant problem in town until I went to rent a home of my own. The home I rented had no house number, making it slightly difficult to arrange for all the hook ups I needed. Personally, I thought not having a number on my house was strange, but as I commented on this to various people, I began to discover that hardly anyone had numbers on their house, and many in fact, couldn't even remember what the number was supposed to be. I began to look around town and discovered that very few homes were marked.

Now to some this may sound like a pretty minor concern, but when you think about it, you discover how serious it can be.

What happens when you have a fire? Normally, you call the fire department in a panic and tell them your street address. But in Didsbury that doesn't work. The members of the Didsbury Fire Department say they usually end up looking for the smoke to find the house reported on fire because of the lack of house numbers. It works the same way for the RCMP. I'm not sure about you, but if my house is burning down, or I've just reported a burglar, I'd want the emergency services at my door ASAP, not wandering up and down the street trying to guess which is the right house.

Not that I'm complaining mind you, I think Didsbury is one of the prettiest small towns I've ever had the fortune to spend time in. It's only that having numbers on houses here would make life just that much safer. It would make the fire department's job easier, possibly even reducing their response time. That's always a positive thing.

Community togetherness applauded

Dear Editor:

I would like to take the opportunity to let you and the people of Didsbury share in the experience I gained most recently. Being an urbanite for most of my life the mystique of a small town and life in a small town has always puzzled me. A large part of my confusion of the attitude of the small community became much more clear the other day while attending a bin fire with the Didsbury Fire Department.

Growing up in a large metropolitan city, an individual tends to deal with adversity by depending on immediate family and friends. And occasionally, if lucky, maybe a concerned neighbor. However the fears of "getting involved" tend to prevent that concerned neighbor from being a dependable source for support in times of difficulty.

Travelling from province to province all across Canada, I've been lucky enough to grow out of the lifestyle of a big city. Gradually I have become accustomed to the ways of the small community lifestyle. To me the ideal situation would be for every young person to have the experience of growing up in a small town atmosphere. There is no better way to prove this point

by explaining the community togetherness I witnessed on Friday, March 13, 1992.

Being one of the fire fighters on our local department that responded to the above mentioned bin fire gave me the chance to have my views on the big city vs. the small town reinforced whole heartedly. The sight of a convoy of friends and neighbors coming down a gravel road driving grain trucks with their augers in tow was quite inspirational. The thought of all these people banding together to help out their fellow man showed me why I will never return to a big city again.

For the first time in my life I clearly understood the meaning behind the saying, "Help Thy Neighbor." The people not only came to help their friend in need, but also the volunteer fire fighters. In a matter of a half an hour from arriving on scene, there was a simple but very efficient network of organization to solve the task at hand; putting out the fire and saving as much grain as possible without extensive damage. The men worked with their equipment to move the grain and the women worked to provide everyone with sandwiches and coffee. Don't let me forget to mention the great cookies.

To my understanding and initial disbelief this type of support occurs quite regularly when similar situations arise. I did not write this letter to ask people to supply us fire fighters with food every time we are at a fire... well, maybe the cookies would not hurt all that much. I wrote this letter to reflect on something positive. All too often we are quick to jump on the negative and shut out the positive. However, from my point of view this community should pat themselves on the back for being great neighbors to each other.

Noticing this type of community effort may go unnoticed from time to time by someone who has lived here all their life, but to a new resident, it is very prevalent. I feel proud to tell friends and family living in the big city that I live in a place where helping people out in adversity is the rule rather than the exception. As Bob Wright explained it to me. I AM IN ALBERTA NOW, and very glad to be here.

Your Neighbor,
Paul Normandeau

Dear Editor:

I am writing to you in regards to a statement which was made in your article on Joyce Shields and her massage business. In it you said that this clinic was "the first of it's kind in

This is not correct as Wild Rose Massage has been offering therapeutic and relaxation massage in Didsbury since April 1990. We have been running ads in The Review and you did a

Household toxic waste roundup

Hon. Roy Brassard
M.L.A. Olds-Didsbury
Constituency

The safe reduction, re-use and disposal of hazardous wastes is an important part of the Alberta Government's commitment to the environment. With this in mind, the Honourable Ralph Klein, Minister of Environ-

ment, has introduced a new format for the province's Household Toxic Round Up Program.

The Household Toxic Round Up is a special collection day involving municipalities, volunteers and contracted hazardous waste management specialists to help Albertans to remove hazardous substances from their homes.

Items such as paint, solvents, fertilizers, used oil and antifreeze are some of the substances that are collected during the Round Up. In the past the program has been quite effective—in 1990 over 130 communities took part in the program, collecting 3,458 drums of hazardous wastes.

The province's new approach to the Toxic Round Up involves a three level approach to household waste collection. These three levels are based

upon municipal population and waste volume.

MOBILE COMMUNITIES - Those communities which have never been involved in the Round Up, or who have low volumes of household hazardous waste may arrange for a Mobile Toxic Round Up. A mobile, self-contained, collection unit will be made available to all eligible municipalities at a minimum of expense to the community.

HUB COMMUNITIES - Communities which have participated in the Round Up in the past, and which have a large enough population and waste volume, will be eligible to receive funding for a one-day event. Hub Communities also have spare capacity to handle more waste than was processed at their 1991 Round Up.

LARGE CENTRES - Fund-

ing will be made available to large centres which have a successful waste minimization strategy and are able to independently collect and transfer hazardous waste.

The changes to the 1992/93 Household Toxic Round Up Program were designed to lower costs for municipalities while at the same time increasing their efficiency in the safe collection and transportation of hazardous wastes.

The objectives of the Toxic Round Up are clear: to clean up the hazardous wastes within our

province, to discourage the use of toxic wastes, and finally to encourage the use of alternatives which are less harmful to the environment.

I believe that the Toxic Round Up is a very worthwhile program and I encourage all eligible communities to get involved and help clean up our environment.

If you need to contact me, or just want to voice your concerns and opinions please call me at our constituency office at 556-3132 or my Edmonton office at 422-0401 (collect).

Senior's lodges in Alberta

Louise Feltham
Wild Rose M.P.

Because our seniors are very special people it is not hard to understand why the requirement of a Means Test to obtain accommodation in new or renovated senior's lodges in Alberta is creating a controversy.

Before 1986 the Alberta Government provided lodges for all senior Albertans who wished to use them.

In 1986 the Federal and Provincial Government entered into a cost-shared non-profit housing agreement 70% funding from the Federal Government to be directed to building structure and 30% funding from the province.

The province through the agreement ensured a portion of these accommodations for seniors were to be directed to those most in need. The province achieved this through the implementation of a Means Test.

Means Tests are now a requirement of application to any new or renovated senior's lodge that is part of the non-profit housing agreement.

Alberta rejects U.S. softwood ruling

The Government of Alberta has strongly criticized a ruling by the United States Department of Commerce (DOC) that Canadian Softwood Lumber receives subsidies.

This preliminary finding was made as part of a countervailing duty investigation of the Canadian softwood lumber industry. The investigation was initiated in retaliation against Canada's lawful termination of the Canada-U.S. Softwood Lumber Memorandum of Understanding. Under the memorandum, Alberta softwood lumber exports to the U.S. were subject to a 15 per cent export tax.

"The Department of Commerce's failure to appreciate the facts and its willingness to be influenced by protectionist interests has caused it to make a determination that will not withstand scrutiny," said Leroy Fjordbotten, Minister of Alberta Forestry. "This is only a preliminary determination, nonetheless, the Department of Commerce's present findings are very disappointing. It is obvious that they made no effort whatsoever to understand how the Alberta system operates," Mr. Fjordbotten added.

"We appreciate the role played by the Alberta Forest Products Association in this process so far," Mr. Fjordbotten noted. "We will have ample opportunity to explain how our system works before the final determination."

"While the ruling was not unexpected, it is no less disappointing," said James D. Horsman, Deputy Premier and Minister of Federal and Intergovernmental Affairs. "I am confident that we will be able to show that Alberta softwood lumber is not being subsidized. This preliminary ruling is neither based on economic reality nor a fair application of U.S. countervailing duty law. Industry forces in the U.S. are seeking to increase their market share at the expense of fairly traded products from Canada."

This is the second of four decisions to be made by U.S. authorities in this case. On December 13, 1991, the United States International Trade Com-

mission made a preliminary determination that Canadian softwood lumber was causing "material injury" to the U.S. industry. After further investigation, the Department of Commerce will render a final subsidy determination. If this affirms the preliminary subsidy ruling, it will be followed by a final ruling by the United States International Trade Commission as to whether Canadian lumber is causing harm to U.S. producers.

"We will not let politics interfere with a fair evaluation of our forest policies," Mr. Horsman emphasized. "Provisions exist within the Canada-U.S.

Free Trade Agreement to overturn any unfair determinations by U.S. administrative agencies. This is something we could not do prior to the agreement, and it demonstrates how important the Agreement is. Canada has also initiated proceedings under the General Agreement on Tariffs and Trade (GATT) challenging the manner in which the investigation began. Alberta, the other provinces, the federal government and the industry will continue to cooperate to ensure that all decisions made in this dispute are consistent with our rights under the Free Trade Agreement and the GATT."

LET'S STOP RACISM

"People may be different on the outside, but they are no different on the inside."

— Jasmine Buntain, Age 11

Our children are called the future. They come into our world full of innocence and hope until they are taught to distrust and, sometimes, even to hate. Racists are made, not born.

Parents can teach their children to understand the value of compassion, respect and understanding of others. Or, they can sow the seeds of intolerance, bigotry and cruelty — the things that divide a society and keep us apart.

Racism exists in many forms and can be found everywhere in Canada. March 21 is the International Day for the Elimination of Racial Discrimination. And it is Canada's Anti-Racism Day, a time for us all to join the fight against inequality.

Let's work together with our families and friends to break down the barriers that divide us. Let's set an example for our children and help create a world free of prejudice and discrimination.

Let's bring back the hope of a better tomorrow and make it real because ...

If you don't stop Racism, who will?

No bull to this sale

Being the biggest and the best isn't always easy to live up to... except, maybe, when it's true.

Such is the case with the Red Angus Bull Test and Sale coming to Olds Cow Palace Saturday, March 28. The Red Angus Cattle Breeders of Canada have been sponsoring the event which has been taking place in the community for nearly 20 years.

Betty Larson, of Standard, Alberta, knows the work it takes to successfully run the event. Larson (who raises 150 head of Red Angus cattle with husband Cliff) works as Secretary of the Red Angus Breeders of Canada.

Larson helps keep track of, and organize buyers and breed-

ers wishing to sell from across Alberta, into Saskatchewan and even parts of the United States.

"There will be about 45 different breeders there with stock coming from a base of about 1,000 cows... by the time the bulls come to sale, you're looking at a lead group of animals with a wide range of genetics available."

But why Olds? "Why not?" Larson says, "...it's a good central location and alot of breeders recognize this area as one of the main centres for buying and selling."

The location's not all that's popular... since 1986, Canadian Red Angus registrations have increased 235 per cent.

While figures are encourag-

ing, to say the least, the quality of each animal must be maintained. In the early 1970's, several Red Angus breeders realized in order to really know if their breeding efforts were improving their stock, some sort of comparison standard would have to be developed. Thus the birth of the Red Angus Breeders of Canada Bull Test - an exercise always included in Olds' annual sale.

Among the criteria considered is the average daily rate of gain of each bull. "The bulls on average gain about three pounds per day and we don't push our bulls on feed," Larson says.

Selection codes are stringent and at the end of a 120-day test,

only the top 60 per cent of the bulls are allowed into the sale and only the best sell.

"We are really proud of the calibre of bulls we see going

through the sale... by the time the bulls get through the testing and come to sale, you're looking at a lead group of animals," Larson says.

Crimestoppers report

I'm Cst. MacKinnon for the Central Alberta Crimestoppers Program. When you phone Crimestoppers with information on an unsolved crime, you never have to give your name. Instead, you are given a confidential tipster number. The crime tip is passed on to the police for investigation. If your tip leads to an arrest, you qualify for a cash award of up to \$2,000.

You receive your money by phoning Crimestoppers back with your tipster number and arranging to pick up the cash at a location somewhere in Red Deer. Since Crimestoppers began in Central Alberta, there has been over 1,500 people phone in anonymous crime tips. The program works!

If you have any information on an unsolved crime, call Crimestoppers now at 340-TIPS, that is 340-8477 or toll free at 1-800-661-TIPS. Crimestoppers serves all of Central Alberta.

Mount View Lodge news

By Annie Caush

Hi all! We hope everyone is looking forward to spring.

In here, the Auxiliary Spring Tea is taking our attention. The Auxiliary met again recently to make further plans. It is to be on Tues., April 14 at 2 p.m. At the last Auxiliary meeting, it was voted to give the entire proceeds from this year's Tea to the Mount

View Lodge Building Fund. We hope to see many of our readers that day.

At the recent Crib Tournament three ladies tied for 1st Place - Gladys Dawson, Vi Hotel and Gladys Smith.

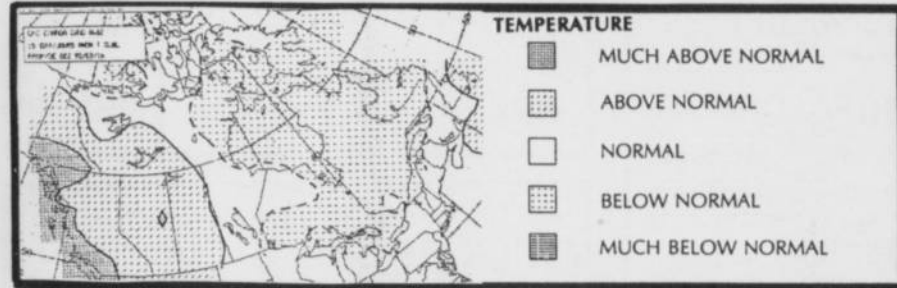

The Shuffleboard Tournament winners were: 1st - Pat Wheaton and Anna Aschenbrenner and 2nd Laura Watkins and

Buzz Riddell.

Mr. Palen who was speaking at the Olds College, came over one afternoon and spoke and drew cartoons for us. It was a most interesting afternoon.

In hospital we have Mrs. Huber and Mrs. Lemke. We look forward to seeing you "home" soon.

SUNDRE/WESTWARD HO NEWS

Partyers trash day camp area

By Janice Harrington

A party which left Cartier Creek recreation area in a mess has angered a local user of the park.

Del Ryan, who had travelled out to the park Saturday for a weiner roast said she felt devastated after seeing the mess some party goers had left from the evening before.

"I felt horrible, especially for the animals because they could easily be hurt by all the broken glass they left behind," said Ryan, a resident of Didsbury.

Ryan said the area damaged by the partyers at the day camp, which is located west of Sundre on the Coal Camp Road, was full of garbage, empties and smashed glass. She said a forest ranger she and her husband encountered at the site worked for several hours to try and clean the mess up.

Besides the garbage, Ryan said picnic tables had been burnt, despite the availability of chopped wood, and the fire was still burning.

The ranger Ryan spoke with said he was concerned that the park would have to be closed for use by the public if this kind of thing happened again.

Ryan said she hoped people would be a little more considerate of the other users of the park, and not allow this to happen.

"It has always been my theory that you leave a park cleaner than the way you found it," said Ryan. "It is hard to

believe that some people have such a lack of regard for nature."

CREMONA/WATER VALLEY NEWS

Plastic recycling day planned

By Janice Harrington

Cremona and Water Valley residents will get a chance to help the environment and a worthy charity next month by recycling their plastic containers.

Mayda Hicklin, who lives in Water Valley, said her husband Hugh, and a number of other area residents involved in setting

up recycling in the Cremona-Water Valley district, have organized a one day program for collecting plastic.

Hicklin said the day will be sponsored by Canada Safeway and Nova Corporation who together offer a travelling plastic recycling program.

Hicklin said her husband

saw the travelling recycling program advertised in the newspaper and decided to apply to have it come to their area. The Hicklins, who retired to Water Valley 6 years ago, are heavily involved in recycling and have helped organize the recycling facilities currently available in the area.

A large Safeway trailer will be at the Water Valley recycling site on April 4th between 9:30 a.m. and noon and at the Cremona recycling site between 12:30 p.m. and 4 p.m. Hicklin said plastic should be separated into plastic film, hard plastics and plastic foam (not urethane foam) and should be free of all

food residue, paper wrappings and metal. Motor oil containers will not be accepted.

All plastic collected will be composted and sold to Polymont of Red Deer. Proceeds from the sale will go towards supporting Kids For Saving Earth, a non-profit organization.

Cremona Minor Hockey

By Ryan Robertson

Friday, March 13th saw our Pee Wees engaged in a play-off series against Sundre.

It was the second game of a two game total goal series. Sundre had won the previous match-up 10-3. Cremona played determined hockey throughout the contest, but Sundre kept them at bay. When the game ended, Cremona had won 8-5 but fell short of their dreams. It was a tough defeat, but with the good

honest effort they displayed, our kids can hold their heads high.

Following are the first three months of winners of the Cremona Minor Hockey and Ringette Association re-entry draw.

January - \$25 - George and Mabel Sherriffs, Kevin Ryan, Al MacRae, Scott and Susan Hughes (Didsbury) and Bill Middleton (Cochrane). The \$100 was won by Al Cartwright.

February - \$25 - Ken Rose

(Nanaimo, B.C.), J. Elliott (Edmonton), Bill Gunderson, Catherine Whitehouse (Cochrane).

The \$100 was won by R.A. MacRae (Calgary).

March - \$25 - Bruce and Marla Knight (Cochrane), Leah Foat, Murray Erickson (James River Store), Lloyd and Erma Van Gundy (Rocky Mt. House).

The \$100 was won by Donna McKinnon.

Cremona 4H exchange approved

Ten senior 4-H members, 8 from Cremona Multi, one from West Didsbury Beef and one from West Carstairs Beef 4-H Clubs have conditional approval from the Canadian 4-H Council in Ottawa to participate in a nation wide 4-H exchange program.

The exchange program partners 4-H clubs in different parts of the country to promote a better understanding of Canadian regions and Agriculture. The Cremona 4-Hers have asked the Canadian 4-H Council to pair them, during the summer of '92 with a Club from Nova Scotia, New Brunswick or Ontario. However, the Council cannot match the Clubs until the Secretary of State in the Federal Government gives his final funding approval. This may not be announced until June, so the chosen clubs must proceed under the assumption that the government will continue their backing. Therefore, the Cremona 4-Hers are starting fundraising in the near future.

If Federal funding to the Canadian 4-H Council is not forthcoming, the Cremona Club will be placing all funds they have raised into a savings account until such time that they can pursue a different exchange.

The Club is sponsoring a Beef Supper on April 11th at the Cremona Hall from 5:30 to 7:30

p.m. The cost will be \$6.00 for adults, \$3.00 for 12 and under, with pre-schoolers free. Tickets are available from any member of the exchange, Cremona 4-H members and at the door.

Local Sculptor, Diane Anderson, and artist Lorraine Mack Liboiron have combined their talents to produce a work of a boy looking at his calf entitled, "Where's Your Mom?" Diane's bronze will be one of a limited edition of 20 in which she has allowed the 4-H to raffie. Tickets will be available from members of the West Didsbury, Cremona Multi and West Carstairs 4-H Clubs. The winner will be drawn on July first in Cremona. A print by Liboiron will also be awarded

the lucky winner of the Anderson Bronze.

A third fundraiser will be "Guess the Weight" of an 11-year-old Texas Longhorn Steer. Pat Sheehan will be setting up this pen at the 50th Anniversary of the Carstairs Steer Show in June.

The 10 young people who all attend Cremona School are looking forward to the planned activities and especially to the exchange. Please come out and support youth in Agriculture. If you have any questions about the program, tickets, or you wish to make donations, please call Laurie Lewis at 335-4197, Jan Shand at 637-3937 or Flora Newsome at 637-2177.

Raffle prize: "Where's Your Mom?"

Cremona Gold and Silver news

The March potluck supper was well attended as always. Guests are welcome and anyone considering being a member is cordially invited to bring a casserole and check us out. The only stipulation is that you have to admit to being "over fifty." The suppers are held the first Thursday of every month.

Tickets are going fast for the bus trip to Rosebud Dinner Theatre on April 16th. Check with Audrey Rigsby or Lulu Mork for information.

Another bus trip in the planning stage is a four day excursion to Penticton in May or June.

Future bus trips being considered are to the Rimby museum, the Devonian Gardens and the Three Hills zoo.

The seniors' bonspiel was a huge success with 12 rinks entered. The winning teams were skipped by Leon Robertson and Chuck Chartrand. Several of our good curlers are in their late eighties and are still going strong. A special doff of the hat to them!

George Whitlow reported on the 1992 Seniors' Summer Games. There are many categories for participation so if you have an interest in any special area, please get in touch with George

and he will fill you in on the details. Included are horseshoes, tennis, swimming, carpet bowling, card games, old-time and ballroom dancing, arts and crafts and creative writing to mention only a few. The area competitions are held first, then the zones, and the finals are in Medicine Hat, August 19th to 22nd.

Thanks to Elma Bird for organizing the February birthday party and to all the models who took part in the fashion show put on by Irene Schultz. It was a lot of fun and nice to focus our thoughts on spring and spring fashions.

Ninth annual Christian Choir Festival planned

Ken W. Lehman, Associate Professor in Music at Mountain View Bible College, is coordinating the Ninth Annual Christian High School Choir Festival. The Choir Festival is held each year to encourage students in the area of vocal music ministry, and is sponsored by Mountain View Bible College.

The Olds Koinonia Christian High School choir will be part of the 135 voice mass choir. Choirs from Central Alberta Christian High School in Lacombe, Millwoods Christian School in Edmonton, Prairie High School in Three Hills, and Hope Christian School in Champion will also participate.

Carleen Losey, presently the music teacher at Hope Christian School in Champion, Alberta, will be the guest conductor. She has her Associate In Music as a singing teacher from the Western Board of Canada, and has worked effectively with a wide variety of choirs. Vicky Snyder, keyboard instructor at Mountain View

Bible College, will be the pianist. The program will offer individual performances from each school and selections by the mass choir. The Choir Fest Concert will be held Friday, March 20, at 7:00 p.m. at the Didsbury Missionary Church. It is open to the community and is free of charge.

Ramblers on verge of provincial championship

Didsbury Ramblers continue to show signs of a season turn-around by winning 2 more games this past week to improve their latest record to 4 out of 5 games.

The weekend saw the hometown Ramblers travel to Kitscoty for the first 2 games of a best of 5 Provincial Final.

Game one on Saturday evening was perhaps one of the most entertaining displays of offence that the Ramblers have been involved in all season.

In a game that would see-saw for the full 60 minutes, Didsbury would prevail 5-4 on a goal from Bryan Latimer with 47 seconds to go for the victory.

Kitscoty would open the scoring in the 1st period at the 7 minute mark before a power play goal by Alan McCoy would tie things up.

Kitscoty would reply 35 seconds later to take a 2-1 lead. Bryan Latimer would even things up at the 16 minute mark on a tip in shot from Ron Doiron at the point. The 1st period would end in a 2-2 deadlock.

Both teams would exchange 2 goals to lock the game at 4-4 after the 2nd period. Goal scorers for Didsbury were Kevin Kurtz and Ed Krebs with assists going to Darcy Conley and Ed Krebs.

Shots on goal were 30-21 for Didsbury after 2 periods.

The 3rd period would see Didsbury outshoot Kitscoty 20-19 in a wide open period of play.

Both Kitscoty goaltender Lennie Jack, and Didsbury goaltender Marty Krebs, would be called on to make spectacular

saves in this exciting and fast skating period.

Didsbury goalie Marty Krebs, would stop four breakaways to salvage the victory including one in the last 15 seconds of play with the Kitscoty goalie on the bench for a sixth attacker.

Final shots on goal would total 50-40 for Didsbury and the score could have been much higher if not for the fine netminding provided.

Sunday afternoon would see the Ramblers play Game #2 in the series and this game would start out much the same as the first.

Didsbury would have several good chances before Alan Shields would score at the 5 minute mark on a nice passing play from Alan McCoy and Ed Krebs.

Didsbury would take a 2 goal lead after Captain Ed Krebs would score on an assist from Bryan Latimer at 12:12 of the first.

The period would end with the Ramblers leading 2-0 and outshooting the Monarchs 13-12.

Didsbury would strike early in the 2nd period to take a 3-0 lead with Ed Krebs getting his second of the evening on the power play.

Kevin Kurtz and Alan McCoy would assist on the goal at the 35 second mark of the 2nd period and the Ramblers would continue to press the play for much of the period.

Kitscoty would get on the scoreboard 4 minutes later at the 4:37 mark when Jamie Jensen would take a slashing penalty to give the Monarchs the manpower

advantage.

Didsbury would take a 3 goal lead again when Darcy Conley would make a final individual play to score unassisted at 13:08 of the period.

Two minutes and forty seconds of the game would see Kitscoty and Didsbury score 4 more goals, with each team getting 2.

Didsbury scorers were Robbie Brown and Cyril Jensen, with assists going to Ron Doiron, Bryan Latimer, and Alan McCoy, chipping in with his third helper. Captain Ed Krebs would pick up his 4th point of the night as well.

Didsbury would score once more to take a 7-3 lead with 28 seconds in the period on a goal by Alan Shields (his second of the night) with Chris Overwater and Ron Doiron adding assists.

Shots on goal were 18-11 for Didsbury for a 2 period total of 31-23.

The 3rd period would see the Ramblers run into penalty problems that would see Kitscoty get back into the game with 2 goals while pressing the Ramblers shortened bench.

The Ramblers, although shorthanded, would kill off four consecutive penalties including a 5 minute major to Bryan Latimer for high-sticking.

The Rambler penalty killers would perform admirably and be rewarded for their efforts when Alan McCoy would score short-handed into the empty net on a nice breakaway play by Captain Ed Krebs to salt an 8-5 victory.

"The improved play of our defence has contributed greatly to our recent success and a big part of that has been the stand up play of Rookie Ron Doiron," comments Manager Larry Tennant.

"Ronnie has played with increased confidence and will only get better now that he knows the League, and recognizes his physical abilities."

The Ramblers now return home for 2 games (if necessary) on the weekend and they hope to clinch the series on Saturday evening with a victory, thus gaining the Provincial Championship in their initial year back.

The Ramblers will continue league action with the 2nd of a best of 3 semifinal match up against rival Olds Elks on Wednesday evening at the complex.

The Ramblers lost their first game in Olds earlier in the week and played extremely well leading the 1st period 1-0 and

trailing 4-2 after 2, before bowing out 8-2 in the end.

The game took on a sour note with the larger Elks players physically punishing Didsbury in the 3rd period with sticks and checks.

The Ramblers would lose goal leader Mark Fredine with a shoulder separation after being hit from behind, and his presence was greatly missed from that point on.

"This is a serious blow to the offence with the upcoming Provincials," quoted Manager Larry Tennant. "And we couldn't afford to have our players hurt in a game that got out of control."

Rambler Games:

Wed., March 18, 1992, 8:30 p.m., Olds Elks (Play-offs); Sat., March 21, 1992, 8:30 p.m., Kitscoty Monarchs (Provincial); **Sun., March 22, 1992, 2 p.m., Kitscoty Monarchs (Provincial). ** (If necessary).

"Our goal was to win the Provincial series and our players did their best not to retaliate in spite of the type of play, however with their inspired play on the weekend, anything can happen Wednesday night," adds Tennant, and this promises to be a good game.

The Ramblers hope to see a large crowd out to the final games of the season and hope to reward them with a Provincial crown in return.

The Ramblers would like to thank their fans who travelled to Kitscoty for the weekend as their noise and enthusiasm was a boost to the team.

Grizzlys advance

By Janice Harrington

The Olds Grizzlys will begin play in round two of the provincial playoff series this week after taking round one in four straight games.

The Grizzlys finished up round one play last Thursday in Sherwood Park, beating the Crusaders 7 to 0 in the fourth game of the best of 7 series.

Hugh Bodmer, Vice President of the Grizzlys, said he was pleased with the team's performance during the last four games and is looking forward to the next stage of the playoffs.

"I really like our chances now," he said. "We came through this first round with no

injuries and the guys are just raring to go. They're chomping at the bit to start this next round."

The Grizzlys, who finished first in regular season play this year, will play next at home against one of the three other winners from round one. Game 7 between St. Albert and Fort Saskatchewan and Fort McMurray and the Calgary Canucks was played Monday night. The Grizzlys will choose their opponent for second round play from the winners of those games and Lloydminster who beat the Calgary Royals last week.

The Grizzlys next game will be on Wednesday, March 18 at 7:30 p.m. at the Olds Arena.

Cremona 4-H news

By John Newsome

In January and February our club was very busy with public speaking. On Feb. 9 we had our practise and on Feb. 23 we had our club speakoff. The winners were: Senior: Tanya Sheehan, Travis Shand; Alternate: Jenifer Lewis; Junior: Mark Shand, Nadine Hallet; Alternate: Jamie Geekie.

On Jan. 31 we had our tour at the Pepsi-Cola plant in Calgary and the rest of the day was spent at the Southland Leisure Center. On Feb. 20 we had Gale Companion give a presentation on the 4-H's 75th year in Alberta celebration, Showcase '92. All the clubs in the region were invited. Feb. 8 was spent Multi at Gene Foat's. We judged cattle and horses, we thank Keith Evans for being our judge.

OBITUARIES

LOEWEN

Mrs. Tina Loewen, of Red Deer, died on Sunday, March 8, 1992 at the Red Deer Regional Hospital at the age of 81 years.

Tina was born in Grosfrental, Russia, to Henry and Louise Suderman on January 24, 1911. After the Bolshevik Revolution, Tina, her mother and four siblings emigrated from Russia and arrived in Didsbury on December 24, 1924.

In 1934 she was married to Mose Loewen from Sunnyslope, Alberta. Together they raised a son and a daughter. In 1934 they moved to Benalto and in 1949 they moved to Eckville. In 1953 they made their last move and came to Innisfail, where Tina resided until 1990. Tina's pride

and joy were her vegetable garden and her raspberry patch. Many of the vegetables and raspberries she grew were given away. In August of 1990, Tina moved to Red Deer to live with her granddaughter, Trudy Carson and her family.

Tina was predeceased by her husband Mose in 1976 as well as two sisters, Louise Suderman, Lena Muller, and one brother John Suderman.

She will be sadly missed and lovingly remembered by her daughter, Livalle Edgar and her husband Jim, of Innisfail; one son, Ralph Loewen and his wife Cathy, of Calgary; six grandchildren; five great-grandchildren; two sisters, Agnes Olson, High River, Elaine Baptist, Didsbury,

and one brother, Glen (Norma) Klein of Calgary; and numerous nieces and nephews.

Funeral services were held on Thursday, March 12, 1992 from the Metcalf Funeral Chapel at 4200 29 Ave., Innisfail, conducted by the Rev. Gordon Cunningham. Interment followed at the Didsbury Cemetery, Didsbury, Alberta.

If friends desire, memorial tributes may be made to the Rainbow Society of Alberta, 6804 - 82 Ave., Edmonton, Alberta, T6B 0E7.

Funeral service arrangements are entrusted to the Metcalf Funeral Chapel of Innisfail.

SUCHLA

Daisy Elizabeth "Tuk" Suchla, beloved wife of William, passed away on March 4, 1992 at the Peter Lougheed Hospital.

Mrs. Suchla was born in Medicine Hat in 1908 and was raised in the Medicine Hat area. Later she moved to Gull Lake, Saskatchewan where she met and married William. Together they enjoyed fifty-eight years of a loving and happy marriage.

Besides her husband, she will be lovingly remembered and sadly missed by her children and grandchildren, Wilma Poag; Pauline Russell and family,

Valerie, Rhonda, Sheila and Donna; William Jr. (Marlene) Suchla; Ellen (Gordon) Orlesky and sons, Gordie and Mike. She is also survived by her daughter-in-law Lillian Suchla and family, James, Lori and Kathy; as well as nine great-grandchildren and many nieces and nephews.

Mrs. Suchla was predeceased by her son Andrew in 1990 and by two sisters and four brothers.

Funeral services were held at Foster's Garden Chapel, 3220 - 4 Street N.W. (across from Queen's Park Cemetery) on Monday, March 9, 1992 at 10:00 a.m. Interment followed in St.

Joseph's Section of Queen's Park Cemetery.

If friends so desire memorial tributes may be made directly to the Heart and Stroke Foundation of Alberta, 1825 Park Road S.E., Calgary, Alberta, T2G 3Y6.

Christians call for product boycott

Christians from around the continent are calling for a boycott of Proctor and Gamble products now that the company has publicly admitted to supporting the Church of Satan.

An article appearing in the Human Life International Newsletter of January, 1992, has asked Christians to stop buying the products distributed by Proctor and Gamble. The article said the president of the company admitted on television last year that large portions of the profits of Proctor and Gamble go towards supporting the church.

Some products brand names distributed by Proctor and Gamble are: Pepto Bismal, Duncan Hines, Folger High Point, Bold, Bounce, Cascade, Cheer, Comet, Dash, Dawn, Era, Downey, Spic and Span, Tide, Top Job, Ivory Snow, Luvs, Pampers, Secret, Sure, Head and Shoulders, Lift, Pert, Prell, Vidal Sassoon, Oil of Olay, Jiffy, Zest, Always, Crest and Glean.

Bancroft W.I. news

By E. Page

Our March meeting was held at the home of Lila Kurtz with 11 members in attendance.

The roll call was, "Why I'm going to have a more interesting garden this year." This ranged from lots of cats and pigs to early tomatoes, new flower beds and lettuce for llamas.

Final plans were made for our last card party of the year as well as for our 50th anniversary at Midway School on March 29th at 2 p.m. Invitations have been sent out and we will also put one in our local paper—everyone welcome. We will decorate on the 28th at 2 p.m.

Plans were made for lunch for an auction sale on April 1st as well as helping with another one on April 2nd.

Our Constituency Conference will be held on April 7th and 8th at Lone Pine Hall. There will not be a Tea in the evening this year.

A report from the Executive meeting was given. The specials this year are: Handicraft - Best of Sewing, Best of Knitting, Rug #101, Afghan Weaving #69A; as well as two special classes in darning by hand and mending by hand. Home Ec. - Best of Bread #1,2,3, Best of Muffins #8,8A, Cake Doughnuts #26, Candy from recipe #19.

June Lore will be our delegate for Conference.

A report was given by Elsie

Brander and Jean Lust from the District 5 Conference. More soap, knitted squares and small nightgowns are needed for Zambia. Marion Brown showed slides on Nicaragua, Noreen Olsen reported on Rural Child Care and also conducted a workshop on how to write a resolution, while Wendy Konsella spoke on The Rights of the Child. 1997 will be our 100th Anniversary. We were also encouraged to give loonies for friendship rather than pennies for friendship.

One of the items of correspondence was a letter from our District Home Economist. The D.H.E.'s will be celebrating their 50th Anniversary in 1993 and they are looking for items of interest that we remember working with them over the years.

Elsie Brander had the bit of fun which was on dimensions, which was won by Marge Fisher. We welcomed her home from the U.S.A. Mary McCulloch had the lucky cup.

Grand prizes for our card parties were determined on March 10th the results were: Crib - high - George Kurtz, low - Jean McCulloch; Whist - high - Joan Patterson, low - Jean Swanson.

These prizes were donated by Bill and Fenn Purvis-Smith. An extra card party will be held on Tuesday, March 24th at 7:30 p.m.

Singing instructors

Teachers at Westglen got into the water with both feet at a recent lip-synch contest at Westglen. First prize in the contest went to Nicole Brander and Mackenzie Russell for their rendition of "My Boyfriend's Back." The school also recently finished a magazine selling fundraiser. Top sellers Scott Hansen, Mandy Culp and Trevor Redmond won prizes for their efforts, and the top 20 sellers were treated to a 20 ft. sundae.

Scouting news

The Scouting Groups have had a busy time the past few weeks and have a number of activities coming up. The Cubs & Scouts had a Kar Rally at Eldon Foote Hall, parents and the newly re-formed Bowden Group were invited to attend. The young people made their own cars from wood which comes in a kit, they are painted, and must meet weight requirements to enter the District Kar Rally which was held at Airdrie on March 7th. Parents and leaders also made and ran Kars.

The winners at the Didsbury Rally were as follows: Fastest Cub Kar - Steven Krebs; Best Cub Kar Design - Kent Mullen; Fastest Scout Kar - Karilen Mullen; Best Scout Kar Design - Blaire Steven; Fastest Leader Kar - Linda Rose; Best Leader/Parent Design - Iby Krupich. At the Airdrie Rally, three Didsbury entrants brought home prizes. Second place trophy for Fastest Scout Kar went to Karilea Mullen, 1st place and trophy for Best Design for Scout Kar was won by Blaire Steven, 1st prize and trophy for Best Parent/Leader Design went to Doris Steven.

The Cubs had a trip to the Tyrell Museum at Drumheller and slept overnight under an Albertasaurus. Forestburg Cubs, and Airdrie Guides and Brownies also took part in the outing. They toured the museum and were taken to the research rooms which are not open to the public and there they dug bones from a plaster cast, and played with special visitors from Reptile World, Sophie the boa constrictor and a lizard.

The Spring bottle drive has been scheduled for Sat., March 28th at 10 a.m. If you have bottles or cans to donate to the Group, and will not be home that morning, please leave them on your steps or lawn, tagged for the Scouts and they will be picked up.

On Tuesday, March 31st, a special evening will be held at Eldon Foote Hall when service pins will be presented to Leaders. Andrew Gingrich will show his slides of his trip to the World Scout Jamboree in Korea at 7 p.m. Parents are invited and a dessert party will close the occasion.

Southwest Didsbury news

By Bessie Eckstrand

Sympathy of the area is extended to Ruby Fetter (Eckstrand) of Medicine Hat, Phyllis & John Foat of Carstairs and the Eckstrand family, as husband, father, and brother-in-law, Paul Fetter passed away Friday, March 6th in the Medicine Hat Hospital, after a short illness. Funeral was held at Cooks Funeral Home with interment in the Chapel Cemetery.

Area would like to welcome to the Didsbury Westcott District, Angela & Joe and baby Keenan, who have purchased the Don Hunts farm (formerly owned by Ed & Helen Klinck). Hunts have purchased the 1/4 section of land south of George Klinck's.

Best wishes of area go to Gloria Redmont who has been in the Calgary Foothills Hospital. Hope you'll be feeling better soon Gloria.

Henry & Erna Goerzen joined the Canadian Snow Birds and travelled to Arizona, Dec. 30 - Jan. 31st. The trip was eventful in that the roads and weather were very good. They enjoyed their experience of being at Mesa Royal Resort for one month. Peter & Eileen Waytowich, their neighbors from Alberta, welcomed them and introduced them to life in the resort. The weather was not nice and warm as expected for the first two weeks, because of rain, cold winds, hail and a tornado, but the friendliness

of the fellow residents warmed their hearts. The many activities available made them almost busier than at home. As the weather warmed, they visited Superstition Mt., and the surrounding desert with its many kinds of cacti became a familiar sight. The Valley of Fire in Utah was a thrill to see with all of the Red Rock formations. The Waytowiches would like to be remembered to all of their friends back home as they are spending part of Jan., Feb. & March in Australia, where Pete is doing auditing for a major company.

The Mountain View Hospital Volunteer Executive treated the Tuck Cart Ladies and husbands to a lovely ham supper at the 5-0

Club on the evening of March 9th. Audrey Persinger organized the Tuck Cart schedule in 1962 with the late Alvin Steckly of Carstairs making the lovely cart. Some of the ladies have been volunteering their services since it first started. President Hazel Milne welcomed everyone, made several presentations of appreciation, introduced guest entertainers Evelyn & Dave Adams of Didsbury, who played many old time tunes on violin and piano, and also everyone enjoyed a skit

by the Executive, making for a very nice evening.

Coffee party, Wed., March 11th at Westcott Hall was well attended, with 19 ladies present and all enjoyed visiting and sampling the lovely brunch supplied by hostesses Edna Edwards and Shirley Goetzen.

Note: "Hip Aerobics" by Instructor Joyce Shields is held Tuesday and Thursday, 8-9 a.m. Comments were lots of sweat, sore muscles but fun.

In Memoriam

JACKSON - Cory Daniel who passed
away March 7, 1990.

"Our son has gone to the angels above,
Where there's nothing but happiness
joy and love
Gone from this world so full of strife.
Back to the God who gave him life.

So let us not fret or wish him back
again,
To go through the sorrows that come
to all men.

But rejoice that God chose our sweet
flower from His own
And has taken him back to his heav-
ly home."

Lovingly remembered, Mom & Dad.

FACING AIDS

"NO": ONE SHORT ANSWER TO PREVENTING AIDS

Following the sexual revolution of the 1960s, saying "no" to sex was often a
forgotten option. Some people still find it easier to have sex than to talk about
it. Pressure from friends to conform can make it difficult to make a wise personal
choice. But the choice remains. No one needs to enter into a sexual relationship
unless it's one which is desired by both partners.

The threat of an unplanned pregnancy or one of the sexually transmitted diseases
(STDs) has always caused people concern when they entered a sexual
relationship. In the 1990s, people who decide to be sexually active must consider
more than these. There is now the threat of HIV infection, the virus which leads
to AIDS. The virus is passed from person to person through unprotected sex or
through sharing needles and syringes.

As with some other STDs, HIV is not easy to recognize. Those who have HIV
may appear healthy and may not even know they carry the virus. There are no warts, pain or other obvious
symptoms, but they can pass the virus on to others. Their partner might become infected after having unprotected
sex with them only once.

People who choose to say "no" to anything they do not want are taking personal responsibility. If you choose to say
"no" to unprotected intercourse, you are protecting your sexual health. By saying "no" to drugs or steroids, you are
protecting your physical health.

With so many conflicting messages in the public eye, we often forget that the word "no" is an option. You have the
right to say "no" to sexual intercourse. If you choose to have sex, you have the right to say "no" unless a condom is
used. You have the right to say "no" to using drugs. If you do use drugs, you have the right to refuse to share needles
and syringes.

If you respect yourself and others, you will recognize your right to say "no". The choice is yours.
